Tabligh Trip to Wellington Report—Azeem Ahmad Z.

Last year, the Amla of Majlis Khuddamul Ahmadiyya NZ proposed a Tabligh trip to the Wellington region as an extension to our 'Tabligh in small towns' initiative. After a year of discussion and planning, the Amla decided to proceed with this historic trip. The objectives of the trip were to carry out peace pamphlet distribution in the smaller rural towns located in the lower North Island of New Zealand, distribute literature packs to libraries located in these towns and engage khuddam brothers residing in the lower North Island of New Zealand.

Under the guidance of Maulana Shafiq ur Rahman sahib, 16 members travelled from Auckland to Wellington and back by road. By the grace of Almighty Allah, the trip was a great success with a lot of positive feedback from New Zealanders. Since the distribution of the pamphlets in these towns, there have been multiple emails and phone calls received in recognition of the Jama'at's efforts to spread the message of peace and clear misunderstandings about Islam.

Dates travelled	11th and 12th
Total peace leaflets distributed	7200 distributed and 2600 left with jamaat members
Total Participants	Auckland 16, Wanganui 1 and Wellington 2
Total towns visited	5 – Te Awamutu, Otorohanga, Wanganui, Lower Hutt, Levin
Total libraries	3 – Te Awamutu, Otorohanga, Wanganui
Total books donated at libraries	24

The trip has also sparked interest and motivation in Khuddam both in Auckland and Wellington to further continue this initiative and become active leaders to promote the positive image of Islam.
