Synopsis of Huzur's Khutba — 19/06/2015

Harnessing the blessings of Ramadhan

- ◆ God's grace and mercy is particularly stirred in Ramadan and true believers are showered with blessings.
- ◆ Generally speaking during Ramadan God puts Satan in fetters, opens doors to Paradise and comes closer to man. On top of this, Fridays during Ramadan should be fully availed of.
- ◆ The main prayer of a believer should be made with humility to be included among those whose prayers of night and day are accepted all the time and not only in Ramadan; so that one may be permanently guided.
- ◆ Righteousness is fear of God and as long as we have it, God will cover our shortcomings and our sins.
- ◆ The impetus for fasting is to adopt righteousness and avoid spiritual and moral weaknesses.
- ◆ Those who are eager to come in the refuge of God need to spend their time praying with extreme humbleness and humility.
- ◆ Progress of members of Jama'at translates into progress of Jama'at.
- ◆ Everyone should try and avail the beneficence of this sacred month and become servant of God.
- ◆ We should especially pray a lot during these days of Ramadan for the triumph of Islam. May God overlook our negligence and mistakes and make such arrangements that we attain our objective.
